

GIRAFFE DESIGN BUILD

Traditional Kitchen Reimagined with Organic Inspiration

7

CJ South Photography

609 Stratford Drive, Ann Arbor

The homeowners wanted to honor the classic lines of their traditional kitchen while adding refreshingly modern twists of organic inspiration. Reimagined with delightful patterns and textures, the kitchen space invigorates while remaining clean, soothing and inviting. Conscientious material selections connect nature to modern in a clean, spacious backdrop.

Features:

- Silver granite counters
- European fired clay tile backsplash reflects outside foliage for a vibrant splash of color
- Salvaged red oak flooring
- Custom seat cushions and eclectic moss wall paper add whimsy and charm
- New pantry affords functional storage space
- Powder room incorporates charming furniture selections
- Chrome fixtures and antique vintage lights
- Local Michigan custom hardwood cabinetry

Come experience their traditional space with organic inspiration!

About Giraffe Design Build

Dreaming of your own inspired living space? Giraffe Design Build is a client centric, design driven company motivated by the belief that the built environment profoundly affects people's lives. Together with our clients, our collaborative team of designers and craftsmen transform existing spaces into healthy, joyful sanctuaries where families celebrate daily life.

Giraffe Design Build: Inspired Design. Excellent Craftsmanship. Delighting People & Planet.

Geddes Ave to Hill St. Turn south to Avon Rd. left. Then an immediate left on Stratford. Home is at the end.
