

MBK CONSTRUCTORS, INC.

Extensive Additions and Remodel of Kitchen and Living Spaces in Burns Park

Jennifer Patselas Photography

1135 Martin Place, Ann Arbor

Start by taking this 1920's Classic Burns Park style home and then tripling the size while retaining the original charm and you now have the new and vastly improved 1135 Martin Place.

Designed around the large sitting Porches and the elevated position on this huge Lot, this home now has 5 Bedrooms including a 2nd Primary / Guest Suite.

Come and check out the extraordinary Kitchen designed for entertaining.

About MBK Constructors, Inc.

For 29+ Years MBK Constructors has been exceeding expectations and earning trust with every project we do. We specialize in blending the old with the new, creating seamless additions, and on-budget renovations.

MBK can collaborate with your architect or designer to develop the estimate, budget, and project. Or MBK can help you with our design and build option.

From Washtenaw Ave: Turn onto Cambridge Road, then turn left onto Martin Place.

From Packard Street: Turn onto Wells Street, then turn left onto Martin Place.
